

Title:	London partners stakeholder engagement
Author:	Una Carney, Head of Partnership Communications and Engagement, Healthy London Partnership

Strategic Partnership Board

29 September 2017

1. Purpose

- 1.1. To set out a high level plan for ensuring the wider health and care system are informed and engaged in health and care transformation in London.

2. Action required by Board members

- 2.1. To **note** the proposed activities set out below (section 4).

3. Partnership considerations

3.1. The London partners have committed to:

- Update the system on the MoU, the future of health and care transformation and to discuss the next steps.
- Host an annual London Health Board Better Health for London conference to take stock of progress against our 10 aspirations for London and the overarching ambition to make London the healthiest global city.

4. Proposed activities

- 4.1. The table below sets out the activities and proposed messages. A more detailed communications and engagement plan will be presented at a future Strategic Partnership Board.
