Executive summary:	<p>The London partners have committed to:</p> <ol style="list-style-type: none"> 1. Update the system on the MoU, the future of health and care transformation and to discuss the next steps. 2. Host an annual London Health Board <i>Better Health for London</i> conference to take stock of progress against our 10 aspirations for London and the overarching ambition to make London the healthiest global city. <p>A number of events and activities are outlined to ensure the health and care system is updated on transformation and next steps.</p>
Action required by Board Members:	Discuss and agree approach

Proposed stakeholder engagement activities

The London partners have committed to:

3. Update the system on the MoU, the future of health and care transformation and to discuss the next steps.
4. Host an annual London Health Board *Better Health for London* conference to take stock of progress against our 10 aspirations for London and the overarching ambition to make London the healthiest global city.

Purpose of this paper

To set out a proposed high level plan for ensuring the wider health and care system are informed and engaged in health and care transformation in London.

Proposed activities (Note: a comms and engagement plan will be presented at the next SPB)
